

STELLAR SISTERS SMART, CREATIVE, IMAGINATIVE & BOLD

Abby is a thoughtful person who seems to come off as shy. She grew up pinching clay pots and as soon as she was old enough, her mom taught her how to spin clay on the wheel. Together they spend hours playing and working, Abby has even put a few of her pieces up for sale!

Adalyn

is joyful, easy going and can be shy when meeting new people. She loves to spend her time reading stories and learning as much about the universe as she can. Recently she started working on her own story and hopes to finish her first novel by the time she is done with high-school.

Orianna

is gentle and loving but she can get her feelings hurt easily. She spends hours either tending to her garden or reading about plants. Like her father, Orianna hopes to become a scientist and study botany for the rest of her life.
